

**Klein Oak Wrestling Booster Club
Membership Form 2009 – 2010**

The Klein Oak Wrestling Booster Club is a non-profit organization whose primary purpose is to provide support for our wrestlers, coaches and the wrestling program. Membership in the club is a unique opportunity for parents, family members, and other individuals to work together to exhibit school and team spirit and become more familiar with the Oak Wrestling Family.

Every year the Booster Club provides volunteer service to operate the concession stand, run tournaments and raise funds for the upcoming season. We celebrate the end of each season with the traditional banquet, which honors the hard work of our wrestlers, managers, coaches and booster club members. It also provides us an opportunity to review and reward the accomplishment of individual team members and the seniors, and all who have worked so hard throughout the season.

The annual membership drive provides us with the opportunity to learn about our wrestlers and their families, verify contact information, gain certain permissions, acquire committee volunteers, and build basic working capital for the upcoming season. Membership dues for the 2009-2010 season are \$50 per family. Payment arrangements can be made with the KOWBC Treasurer, Shelley McCommon.

Welcome to the Klein Oak Panther Wrestling Family!
